

New Industrial State Galbraith John Kenneth

**health care in the early 1960s - the united states social ...** - my topic, health care in the early 1960s, has a double set of meanings for me. i am a historian, and the 1960s are now "history," ripe for new interpretations. **research report 324 - health and safety executive** - acknowledgements this work was performed with funding from hse and bp, a grant from epsrc, associated in-kind industrial contributions, a university/departmental scholarship and an imarest
